

January 8, 2024

Dear Friend of Richmond County Little League,

The 2023-2024 RCLL Board of Directors is already busy planning for the upcoming Spring and Fall Seasons. With another successful year under our belts and the expectation to again have nearly 300 youth enjoy America's favorite pastime, we have a lot to be proud of and also to look forward to. It is our hope, responsibility, and privilege to continue to provide children and their families the opportunity to have fun and learn important life lessons that build stronger individuals and communities.

As Richmond County's largest and oldest youth sports organization, we rely hugely on volunteer and financial support. Funds raised from last year's sponsors and donors allowed us the opportunity to check off many wish list items, including a field machine, PA system, and batting cages. This year, we have identified many other areas of need and at the very top of our list is sets of bleachers throughout the entire ballpark since what we have now is old, damaged, and unsafe.

If you would like to become a sponsor or donate toward the purchase of these items, please review the available options enclosed and mark accordingly on the provided form. Please mail the form and payment to Richmond County Little League, P.O. Box 608, Warsaw, VA 22572, and email a high resolution logo or artwork to be used for signage to info@richmondcountylittleleague.com **by February 19, 2024**.

As you know, we are a 501(c)(3) organization and your generous contribution is tax deductible. Thank you in advance for your consideration. Richmond County Little League would love your support.

Sincerely,

Fundraising Committee
